Burnside High School Archery

***** You can *ONLY* book in for the Archery Session(s) if you have parent/caregiver permission FIRST *****

Once you have booked in, I will then send you an email of confirmation, and you are then committed to the following:

Cost \$13.00 per session **including any missed sessions**, committing to a **full** term. e.g., one archery session per week for a 10-week term, full cost for that term will be \$130. Please be aware that the archery is independent to school.

In addition, \$15 for a finger tab and arm guard set will be charged on your first invoice. This set will be yours to keep and is a one-off charge only. This set is to be used each time you come to archery.

If a session is cancelled by me (e.g., bad weather), that session will *not* be charged.

I typically send an invoice via email towards the end of the current term. This way any cancelled sessions by me can then be accommodated and your invoice amended accordingly.

No experience needed. You do not need to change into sports gear, normal wear is fine. If it gets cold bring something warm to wear, preferably not baggy – colour **does not** matter. Long hair should be tied back. Flat enclosed shoes **must** be worn i.e., no high heels, sandals etc. Any facial piercing **must** be covered with a band aid or taken out (small earrings are acceptable).

Location: At school, on the main sports field where the running track is located, behind the swimming pool, over the bridge. Bring your lunch with you.

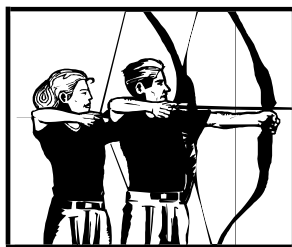

NOTE: Any wilful damage to any of the equipment will be charged, the cost will also include package and postage. Majority of the equipment is ordered from overseas and cannot be sourced locally.

Regards
Maria Tucker
